Respondent.)	

ORDER OF THE BOARD (by J.C. Marlin):

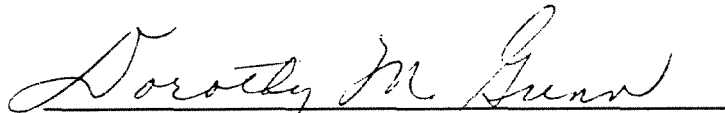

On August 10, 1992, the Agency moved for an extension of time in which to file its record, which was due to be filed August 10, 1992. In support thereof the Agency states that the parties are continuing discussions of the issues in this matter, and that use of scarce resources in assembly of the record would be unnecessary if the matter is settled prior to hearing. Asserting that petitioner has no objection to the granting of an extension, the Agency requests an extension "until 30 days prior to the date of hearing".

The Board notes that no hearing is scheduled, and that decision has been waived until March 5, 1993.

The Board will grant an extension, but not exactly as requested by the Agency. The Board disfavors setting deadline dates contingent on events which have not occurred. This places an undue burden on the Clerk's Office case tracking system. The deadline date for the filing of the Agency record is extended through December 15, 1992. The Agency may request a further extension (if necessary) at that time, assuming petitioner has filed an appropriate waiver of the Board's decision deadline.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 13th day of August, 1992, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
