Respondent.)

ORDER OF THE BOARD (J. Anderson):

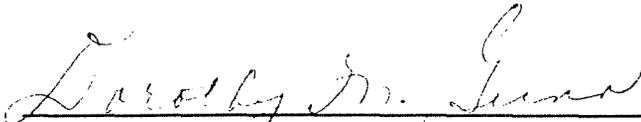

This matter comes before the Board on the petition for variance filed by the Department of the Air Force, Scott Air Force Base, on April 27, 1992. The petition, which seeks a variance from certain water pollution control regulations, includes a waiver of public hearing.

Where a petitioner for variance relief waives a public hearing, an affidavit supporting the facts set forth must accompany the petition pursuant to 35 Ill. Adm. Code 104.124. The petition is deficient in that it includes no affidavit supporting the facts it contains.

If an amended petition curing the noted deficiency is not filed within 45 days of the date of this order, this petition will be subject to dismissal.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, do hereby certify that the above order was adopted on the 7th day of May, 1992, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
