OPINION AND ORDER OF THE BOARD (by C.A. Manning):

On March 31, 2000, the parties filed a stipulation and proposal for settlement. The Board accepts the stipulation and proposal for settlement filed by the parties in this matter. The complaint alleged that respondent violated Section 39.5(18) of the Environmental Protection Act (Act) (415 ILCS 5/39.5(18) (1998)) and the Illinois Environmental Protection Agency regulations pertaining to the Clean Air Act Permit Program (CAAPP) procedures found at 35 Ill. Adm. Code 270.603 by failing to pay CAAPP fees.

Pursuant to Section 31(c)(2) of the Act (415 ILCS 5/31(c)(2) (1998)), the Board caused publication of the required newspaper notice of the stipulation and proposal for settlement and request for relief from the hearing requirement. The notice appeared in the *Chicago Sun-Times* on April 3, 2000. The Board did not receive any requests for hearing. Accordingly, the Board grants a waiver from the hearing requirement.

The stipulation and proposal for settlement sets forth the facts relating to the nature, operations, and circumstances surrounding the allegations in the complaint. Respondent admits the alleged violations and agrees to pay a total payment of \$9,872.76. This payment includes a civil penalty of \$1,043.96 designated to the Environmental Protection Trust Fund; the balance of the payment is designated to the Clean Air Act Permit Fund. Respondent must continue to comply with any federal, State, or local regulations including, but not limited to, the Act and the Board's regulations.

This opinion constitutes the Board's findings of fact and conclusions of law in this matter.
