ORDER OF THE BOARD (by J. Theodore Meyer):

This matter is before the Board on the Illinois Environmental Protection Agency's (Agency) February 16, 1993 motion to extend time to file its record. The motion states that the record is currently due on February 22, 1993, that the attorney for petitioner Central Can Company has submitted a waiver of the decision deadline¹ and is not opposed to the request for extension of time, and that an extension is necessary to "ensure a thorough and complete record." Thus, the Agency asks that the date for filing the record be extended to March 22, 1993.

This is the third motion to extend time filed by the Agency, based upon a contention that the time is necessary to ensure a thorough and complete record in this matter. This is the final extension of time to file the Agency record. The Agency's motion for extension of time is granted, and the record is due on March 22, 1993.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 25th day of February, 1993, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board

¹ The Board notes that Central Can has submitted a waiver of the decision deadline, so that a decision in this case is now due on June 22, 1993.
