ORDER OF THE BOARD (by B. Forcade):

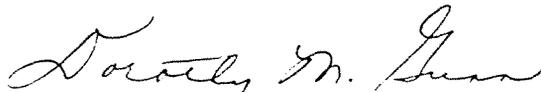

Anchor Glass Container Corporation ("Anchor") filed a July 22, 1988 petition for review of an air permit denial. With this petition, but filed separately, was an exhibit, entitled "Gurnee Furnace No. 2 Comparison of 1978 Batch With Current Formula to Verify No Material Changes Have Been Made," together with an "Application for Nondisclosure," filed on that same date. The Board dismissed the petition on the August 5, 1988 motion of the Illinois Environmental Protection Agency ("Agency") and the August 17, 1988 motion for withdrawal of Anchor.

By its September 29, 1988 motion, Anchor asks the Board to return all copies of the July 22 exhibit and Application for Non-disclosure. The Board hereby grants that motion.

The Clerk of the Board is hereby directed to gather all copies of the exhibit entitled "Gurnee Furnace No. 2 Comparison of 1978 Batch With Current Formula to Verify No Material Changes Have been Made" that were filed with the accompanying "Application for Nondisclosure," together with said "Application," and to return them in a secure manner.

IT IS SO ORDERED

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 6<sup>th</sup> day of October, 1988, by a vote of 7-0.
