ORDER OF THE BOARD (by J.D. Dumelle):

This matter comes before the Board upon a June 10, 1985 letter filed by the Village of Winslow. The Board construes the Village's letter as a motion to withdraw its variance petition, because the Village's sewage treatment plant operator recently passed the Class II operator test thus rendering the variance petition unnecessary. Accordingly, the motion is granted.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board hereby certify that the above Order was adopted on the 13th day of June, 1985 by a vote of 7-0.

Illinois Pollution Control Board
