ORDER OF THE BOARD (by D. Satchell):

On January 22, 1981 Olin Corporation filed, pursuant to Procedural Rule 333, a motion for modification of the Opinion and Order of the Board of December 18, 1980. The Board construes this as a motion for reconsideration which it hereby grants. The Order granted a variance for outfalls 001 and 015 in NPDES permit IL0000230. Different conditions were imposed on the variances for each outfall. Olin has now informed the Board that the requested variances were for outfalls 001 through 015. Outfall 001 is associated with Zone 17, while outfalls 002 through 015 are associated with Zone 6.

The Board's rules require a description of petitioner's processes, the quality of materials discharged and the location of discharge points [Procedural Rules 401(a)(2), (3) and (4)]. Where no hearing is held petitioner must provide an affidavit or other proof of material facts [Procedural Rule 401(b)]. Upon reconsideration the Board finds that it was not adequately informed to enter the Order of December 18, 1980.

Within forty-five days of the date of this Order Olin shall provide for the Board the information listed below. This information shall take the form of an affidavit or other proof suitable under Procedural Rule 401(b).

1. A statement correlating the Zones to discharge points.
2. A statement explaining the relationship to discharges 001 through 015 of the data in Exhibit B-2.
3. Separate discharge monitoring report summaries for discharges 001 through 015, to the extent available.
4. A flow chart of the Zone 6 wastewater treatment facility showing the origins of the discharges.

The motion for reconsideration is granted. Unless the Board takes further action, the variance granted December 18, 1980 will expire ninety days from the date of this Order.

IT IS SO ORDERED.

Mr. Goodman abstained.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 3rd day of February, 1981 by a vote of 4-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
