## ILLINOIS POLLUTION CONTROL BOARD July 31, 1975

NORTH SHORE SANITARY DISTRICT,	
Petitioner,	
v.	PCB 75-301
ENVIRONMENTAL PROTECTION AGENCY,	
Respondent.	

ORDER OF THE BOARD (by Mr. Dumelle):

Petition filed July 30, 1975 is inadequate in that it does not detail the environmental effects of this variance petition were it to be granted. The alternative set out in a companion case, NSSD v. EPA, PCB 75-302, which is that of possibly lifting the sewer connection ban entirely, is not requested.

Petitioner shall amend the petition within 45 days of the date of this Order and provide the needed environmental impact information to the Board and Agency. If it so chooses, the Petitioner may also request consideration, as an alternative, of removal of the ban in its entirety. Failure to timely file the amended petitioner shall make this cause liable to dismissal because of inadequacy. The 90-day period set by statute for decision shall run from the date of filing the amended petition.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the \_\_\_\_\_\_\_day of July, 1975 by a vote of \_\_\_\_\_\_.

Illinois Pollution Control Board
