ORDER OF THE BOARD (by Mr. Dumelle):

Petition filed December 5, 1973 for variance is dismissed because of inadequacy. No estimates of the "huge volume of trees and brush" are given nor of the contaminants that they would emit if open burned. No mention is made of the alternative of using an air curtain destructor which would make the project eligible for a permit. No costs are given as to the various alternatives available to the petitioner.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 13th day of December, 1973 by a vote of 5-0.
