Opinion & Order of the Board (by Mr. Currie):

The City's variance petition sought additional time for completion of sewage treatment plant improvements. In light of the Board's revised deadlines as adopted March 7, 1972 (#R 71-14), the City asks that its petition be withdrawn as unnecessary. For this reason the petition is hereby dismissed.

I, Christan Moffett, Clerk of the Pollution Control Board, certify that the Board adopted the above Opinion & Order this day of June, 1972, by a vote of \_\_\_\_\_.
