Opinion and Order of the Board (by Mr. Currie)

This formal citizen complaint alleged dense smoke and odors from a plant in Lake Bluff, and we ordered a hearing. The complainant has since written that she cannot proceed with a hearing pursuant to Board rules at this time and therefore requests that her complaint be treated as an informal one. The request is hereby granted. The complaint will be referred to the Environmental Protection Agency and the formal proceeding is dismissed.

I, Christan Moffett, Clerk of the Pollution Control Board, certify that the Board adopted the above Opinion and Order this 27<sup>th</sup> day of June, 1972 by a vote of 5-0.
