ORDER OF THE BOARD (by J. Theodore Meyer):

This matter comes before the Board on a joint status report and request for extension of stay filed October 10, 1996 by Abbott Laboratories and the Illinois Environmental Protection Agency (Agency). The present matter is subject to a stay pending approval of the United States Environmental Protection Agency (USEPA) of rulemaking R94-31, an amendment to 35 Ill. Adm. Code 218 Subpart T. The amended rule, however, has not been approved by the USEPA as a revision to the Illinois State Implementation Plan. The parties report that USEPA requested information from the Agency which the Agency is currently collecting. The parties request that the stay in this matter be extended to allow USEPA to review and approve the additional information.

The motion for stay is granted until December 19, 1996. The parties are directed to file status reports, either jointly or separately, no later than December 16, 1996.

IT IS SO ORDERED.

Board Member K. M. Hennessey abstained.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 17th day of October, 1996, by a vote of 6-0.
