**HEARING OFFICER ORDER**

On April 8, 2004, all parties participated in a telephonic status conference with the hearing officer. The complainant represented that the Illinois Environmental Protection Agency is reviewing a draft stipulation and proposal for settlement (stipulation). The respondent represented that it will review the stipulation when it is forwarded. The respondent made an oral motion for extension of time to file its answer. The complainant had no objection. Respondent's motion is granted. Respondent's answer is now due on or before July 1, 2004.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on June 17, 2004, at 10:00 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed before the next status conference, the status conference will be cancelled without further order.

IT IS SO ORDERED.
