**HEARING OFFICER ORDER**

On September 9, 2004, all parties participated in a telephonic status conference with the hearing officer. The parties represented that they have reached a settlement and the settlement document is being circulated for signatures. Once signed, the complainant represented that it will file a motion to dismiss.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on October 28, 2004, at 11:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, complainant files a motion to dismiss prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
