HEARING OFFICER ORDER

On September 8, 2004, all remaining parties participated in a telephonic status conference with the hearing officer. The respondent Roberts Environmental Control, Inc., (Roberts) represented that it is still reviewing a settlement offer forwarded to it by the complainant. The respondent made an oral motion for extension of time to file its answer. Complainant did not object. Respondent's motion is granted and its answer is now due to be filed on or before September 10, 2004.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on September 16, 2004 at 9:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
