HEARING OFFICER ORDER

On November 10, 2004, all parties participated in a telephonic status conference with the hearing officer. The petitioner represented that it has received a letter of approval from the respondent regarding the reimbursement issues and intends to file a voluntary motion to dismiss in the near future.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on January 13, 2005, at 9:00 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a motion to voluntarily dismiss is filed prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
