**HEARING OFFICER ORDER**

On December 2, 2004, all parties participated in a telephonic status conference with the hearing officer. The parties represented that they remain hopeful that Senate Bill 9-11 will be passed in the next session and its passage would obviate the need for a hearing in this matter. The petitioners represented that they will file a 90-day waiver of the statutory decision deadline.

The parties or their legal representatives are reminded that a telephonic status conference with the hearing officer is scheduled for January 20, 2005, at 11:00 a.m. The telephonic conference must be initiated by the petitioners, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
