ORDER OF THE BOARD (by T.E. Johnson):

This matter is before the Board on a petition filed by Phibro-Tech formerly Southern California Chemical Company, a division of CP Chemicals, Inc. (Phibro-Tech) asking the Board to review a determination of the Illinois Environmental Protection Agency (Agency). The petition was filed in regards to certain conditions imposed by the Agency in Phibro-Tech's closure plan permit for a site located in McHenry County.

On March 3, 2005, Phibro-Tech filed an agreed motion to voluntarily dismiss the appeal. In the motion, Phibro-Tech asserts that, pursuant to an agreement of the parties, the Agency has issued a closure plan approval letter that supercedes the approval letter first issued in 1992. Phibro-Tech requests that the case be dismissed with prejudice and without costs. Phibro-Tech asserts that the Agency agrees to the dismissal of the case. The motion for voluntary dismissal is granted. The Board hereby dismisses the petition, and closes the docket.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on March 17, 2005, by a vote of 5-0.
