**HEARING OFFICER ORDER**

On April 14, 2005, the remaining petitioner, Georgia-Pacific Tissue, L.L.C., informed the hearing officer that revised operating permit is being reviewed and, that if approved, will resolve this matter. Once resolved, the petitioners anticipate that they will be filing a motion for voluntary dismissal for the above-captioned matter. The petitioner represented that it will file a 60-day waiver of the statutory decision deadline.

The parties are directed to participate in a telephonic status conference with the hearing officer on June 23, 2005, at 10:45 a.m. The status conference must be initiated by the petitioners, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matters and their readiness for hearing. If, however, motions to dismiss the respective matters are filed prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
