HEARING OFFICER ORDER

On September 22, 2005, petitioners participated in a telephone status conference with the hearing officer. Respondent did not appear. Although petitioners revised permit application was denied, respondent raised fewer objections than it had to the initial application. Petitioners are working on a supplemental application to resolve more of respondent's concerns. The parties have made significant progress, and continue to work on resolving all outstanding issues. Additionally, petitioners are waiting to hear from the Office of the Attorney General regarding the most recent draft of the consent order.

The parties are directed to participate in a telephone status conference with the hearing officer at 11:30 a.m. on December 13, 2005. The status conference shall be initiated by the petitioners.

Petitioners have filed an open waiver of the statutory decision deadline in this matter.

IT IS SO ORDERED.
