HEARING OFFICER ORDER

On June 8, 2006, all parties participated in a telephonic status conference. The petitioner's motion for extension of time to file a response, filed May 30, 2006, to respondent's motion for summary judgment was discussed. The petitioner orally amended its request for an extension of time so that it can review the remaining file. Petitioner represented that it intends to procure the remaining file pursuant to the Freedom of Information Act. To that end, and without objection from the respondent, petitioner's response to the respondent's motion for summary judgment is now due to be filed on or before August 10, 2006. The due date of petitioner's response may need to be revisited at the next status conference. Petitioner represented that it will file a 60-day waiver of the statutory decision deadline.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on August 3, 2006, at 10:30 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
