**HEARING OFFICER ORDER**

On January 3, 2007, the parties participated in a telephone status conference with the hearing officer. Respondents have upgraded the wastewater treatment system, and are currently within compliance limits. The Illinois Environmental Protection Agency has informed the parties that it wants to conduct further tests this summer, during peak demand, to ensure that compliance continues to be met.

The parties are directed to participate in a telephone status conference with the hearing officer at 9:00 a.m. on August 30, 2007. The status conference shall be initiated by the complainant.

IT IS SO ORDERED.
