**HEARING OFFICER ORDER**

On November 8, 2007, the complainant informed the hearing officer that it is hopeful that the parties have resolved the above-captioned matter and that a draft of the stipulation and proposal for settlement (stipulation) will be circulated for review. To that end, the discovery schedule is in abeyance and may be revisited at the next status conference if needed.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on January 24, 2008, at 11:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further notice.

IT IS SO ORDERED.
