Dear Ms. Webb:

I am writing to you concerning the PDC proposal appealing the IEPA August 2007 denial for an expansion of its hazardous waste facility. This proposal/application is almost identical to the proposal voted down by the Peoria County Board in May 2006. Other citizens and I supported the vote by the Peoria County Board then and also their vote on the denial of appeal in June 2007.

PDC's claim to be a generator of waste does not make any sense. Their application is an attempt to circumvent the local authority to regulate the siting of hazardous waste landfills.

Please DENY PDC's proposal.

Sincerely,

Joseph C. Merkle
