REQUEST FOR NINETY DAY EXTENSION OF APPEAL PERIOD

NOW COMES the Petitioner, **Joyce Farms Recycling, Inc.** ("Joyce Farms"), by and through its attorneys, Brown, Hay & Stephens, LLP, and, pursuant to Section 40(a)(1) of the Illinois Environmental Protection Act (415 ILCS 5/40(a)(1)) and 35 Ill. Adm. Code 105.208, hereby requests that the Illinois Pollution Control Board ("Board") grant an extension of the thirty-five (35) day period for petitioning for a hearing to June 2, 2008, or any other date not more than a total of one hundred twenty-five (125) days from the date of service of the Illinois Environmental Protection Agency's ("Illinois EPA") final decision. In support thereof, Joyce Farms respectfully states as follows:

1. On January 28, 2008, the Illinois EPA issued a final decision to Joyce Farms.
2. On February 27, 2008, Joyce Farms made a written request to the Illinois EPA for an extension of time by which to file a petition for review, asking the Illinois EPA to join in requesting that the Board extend the thirty-five (35) day period for filing a petition to ninety (90) days.

3. The additional time requested by the parties may eliminate the need for a hearing in this matter or, in the alternative, allow the parties to identify issues and limit the scope of any hearing that may be necessary to resolve this matter.

4. The Illinois EPA filed a Request for Ninety Day Extension of Appeal Period, which included its final decision in this matter. By filing its Request with the Board, Joyce Farms hereby joins in the Illinois EPA's request for a ninety (90) day extension.

WHEREFORE, for the reasons stated above, the parties request that the Board, in the interests of administrative and judicial economy, grant this request for a ninety (90) day extension of the thirty-five (35) day period for petitioning for a hearing.

Respectfully submitted,

JOYCE FARMS RECYCLING, INC.
