HEARING OFFICER ORDER

On March 13, 2008, a telephonic status conference was held. The parties represented that they are awaiting the Board's decision on Bennett's motion for leave to file a third party complaint. The complainant represented that it does not intend to file a response. The complainant represented that settlement offers have been made. By agreement, respondent Felker Pharmacy, Inc., was given until April 17, 2008, to file its answer.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on April 10, 2008, at 9:30 a.m. The telephonic conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.
