HEARING OFFICER ORDER

On April 10, 2008, a telephonic status conference was held. Respondent Felker Pharmacy, Inc. and Third-Party respondents did not appear. The complainant represented that there appears to be a settlement as to all parties, and will draft a stipulation and proposal for settlement (stipulation) and circulate for review. By agreement, all outstanding answers are now due to be filed on or before July 11, 2008. Representatives for the Third-Party respondents are directed to file their appearances.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on June 19, 2008, at 9:30 a.m. The telephonic conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further notice.

IT IS SO ORDERED.
