HEARING OFFICER ORDER

On August 14, 2008, all parties participated in a telephonic status conference with the hearing officer. The parties represented that settlement offers are being exchanged and discussions continue. The parties represented that there are no compliance issues, and that the only issue is the monetary penalty and that may have been resolved.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on October 30, 2008, at 11:00 a.m. The telephonic conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation and proposal for settlement is filed prior to the next status conference, the conference will be cancelled without further notice.

IT IS SO ORDERED.
