### HEARING OFFICER ORDER

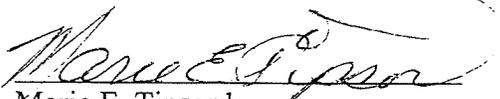

Today additional hearing dates are set to allow the Board to hear the prefiled testimony. The hearings will be continued day-to-day until business is concluded or until the last day of hearings. Thus, if there are questions and testimony remaining at the close of business on October 27, 2008, hearings may be resumed on October 28, 2008, and continue on November 17, 2008 and then on to December 2 and 3, 2008.

When the testimony and questioning on use designations are completed, additional hearing dates to hear testimony on the water quality standards will be scheduled. Participants should be prepared to discuss additional hearing dates at that time.

The Board has received 49 sets of prefiled testimony and six of the Metropolitan Water Reclamation District of Greater Chicago witnesses have completed their testimony. The Board will continue to hear testimony in the order set forth in the August 27, 2008 hearing officer order.

All filings in this proceeding will be available on the Board's web page at [www.ipcb.state.il.us](http://www.ipcb.state.il.us) and participants may file electronically on the Board's web page. The prefiled testimony and questions must be served on the persons on the service list, except it is not necessary to serve the hearing officer with the prefiled testimony and questions for these hearings.

IT IS SO ORDERED.
