1021 N. Grand Avenue East, North Entrance  
Springfield, IL

PURPOSE OF HEARINGS: Merit and Economic  
ATTENDING BOARD MEMBERS: G. Tanner Girard  
HEARING OFFICER: Marie E. Tipsord

**HEARING OFFICER ORDER**

On September 16, 2008, the Board accepted for hearing a site-specific rulemaking filed on August 29, 2008, by the City of Springfield (City), Office of Public Utilities, City Water, Light and Power (CWLP) and Springfield Metro Sanitary District (District), (collectively, Springfield). The proposal seeks to establish an alternative water quality standard for boron from the discharge point at the Spring Creek Sanitary Treatment Plant (Spring Creek STP) to the Sangamon River to its confluence with the Illinois River and 100 yards downstream from the confluence in the Illinois River. The Board granted a motion to expedite the rulemaking consistent with the Board's available resources and directed that a hearing be set expeditiously.

Today's order sets the dates for the hearing and the prefiling deadlines. Springfield must prefile testimony for the November 3, 2008 hearing by October 20, 2008. All testimony will be taken as if read and we will proceed with questions immediately.

All filings in this proceeding will be available on the Board's web page at [www.ipcb.state.il.us](http://www.ipcb.state.il.us) and participants may file electronically on the Board's web page. The prefiled testimony must be served on the persons on the service list.

IT IS SO ORDERED.

Marie E. Tipsord
