**HEARING OFFICER ORDER**

On September 25, 2008, all parties participated in a telephonic status conference with the hearing officer. The complainant represented that it has forwarded a stipulation and proposal for settlement (stipulation) to the respondents for their review. The respondents represented that they are in the process of reviewing the stipulation. By agreement, respondents’ answer is now due to be filed on or before November 21, 2008.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on October 30, 2008, at 10:15 a.m. The telephonic conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further notice.

IT IS SO ORDERED.
