Affiant, being first duly sworn, voluntarily deposes and states as follows:

1. Affiant is a field inspector employed by the County of Ogle and has been so employed at all times pertinent hereto.
2. On, July 28, 2008 between 11:40 a.m. and 1:25 p.m., Affiant conducted an inspection of a solid waste landfill, located in Ogle County, Illinois and known as Veolia ES Orchard Hills Landfill, Inc. by the Illinois Environmental Protection Agency – site no. 1410175005.
3. Affiant inspected said Veolia ES Orchard Hills Landfill, Inc. site by an on-site inspection which included walking and photographing the site.
4. As a result of the activities referred to in Paragraph 3 above, Affiant completed the Inspection Report form attached hereto and made a part hereof, which, to the best of Affiant’s knowledge and belief, is an accurate representation of Affiant’s

observations and factual conclusions with respect to said Veolia ES Orchard Hills Landfill, Inc. site.

5. That on previous occasions, Joy K. Bliton of the Ogle County Solid Waste Management Department, has reminded the operation managers of the above described facility that the south slope of Phase VI needs better cover (inspections on December 4, 2007, February 22, 2008, March 13, 2008, and April 14, 2008), that the erosion gullies on that slope needed repair (inspection on April 14, 2008) and that tires were noted amongst the waste (inspections on September 24, 2007 and June 26, 2008).

Repairs had been made in response to the comments but then above conditions re-occurred.
