To the Clerk of the Illinois Pollution Control Board:

Re: PCB 09 62

Mr. Therriault, I am in receipt of the PCB Order dated April 2, 2009. My Complaint under Section 34 (d) and the 13 documents submitted with my February 14, 2009 letter request the PCB removal of the bogus "Seal Order", that never saw the light of due process, and for the restoration of my personal property and property rights, as enjoyed by all other taxpayers, without color of governmental interference into constitutionally protected activities. The Order wrongfully assumes that I have not served pleadings upon Plaintiff and counsel of record.

Enclosed find evidence to the contrary:

1. A Subpoena Duces Tecum served on the Attorney General;
2. McGinley's Motion to Quash;
3. A Subpoena Duces Tecum served on our bank, concerning McGinley's confiscating our senior citizens' Social Security funds account, without notice to us, by the serving on the bank a citation;
4. To discover assets, that McGinley claimed was a court "hold order" when he took these funds, and,
5. A response from the attorney general concerning an FOIA request and no knowledge to identify the issue and the subject matter of the bogus "2006-3 Seal Order", and,
6. A copy of the Subpoena Duces Tecum served on IEPA Director Douglas P. Scott, which was ignored.

The PCB must look into its own files and record under Sections 30, 31, 32 and 33, to authenticate the "Seal Order", if no such

record is found, it is the duty of the Board to declare the
"Seal Order" a fraud and void, and insure that loose IEPA
cannons not escape a reprimand and removal from office and
employment.

Sincerely,

John Tarkowski
