HEARING OFFICER ORDER

On May 21, 2009, all parties participated in a telephonic status conference. Discussions centered on the affirmative defenses filed by the respondent on May 8, 2009. Complainants requested that a short discovery schedule be implemented regarding respondent’s first affirmative defense. The respondent objected and requested that complainants file a pleading addressing the affirmative defense. Complainants request was denied. The complainants represented that they will file a motion to strike the affirmative defenses on or before June 5, 2009. The respondent was directed to file its response on or before June 26, 2009.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on July 23, 2009, at 11:00 a.m. The telephonic conference must be initiated by the complainants, but each party is nonetheless responsible for its own appearance. At the conference the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
