MOTION FOR EXTENSION OF TIME

NOW COMES Respondent, CROP PRODUCTION SERVICES (“CPS”), and pursuant to 35 Ill. Adm. Code Section 101.522, hereby files its Motion for Extension of Time seeking an extension of the date by which its answer or responsive pleading is to be filed in this matter, stating as follows:

1. On April 6, 2009, People of the State of Illinois (hereinafter “Complainant”) filed its First Amended Complaint (“Amended Complaint”).
2. CPS’ Answer or other response to the Amended Complaint in this matter currently is due on June 8, 2009.
3. Complainant and Respondent are currently discussing settlement in this matter.
4. In light of this fact, CPS wishes to avoid the unnecessary expense of filing an Answer or other response to the Amended Complaint and focus its resources on settlement discussions.
5. The undersigned attempted to confer with counsel for the Complainant but she was away from her office. The undersigned believes that Complainant would not oppose the Motion.

6. CPS respectfully moves the Illinois Pollution Control Board (“Board”) for an extension of time of sixty (60) days, to and including August 7, 2009, within which to file its Answer, in order to give the Parties time to continue settlement discussions in this matter.

7. CPS does not file this Motion for purposes of undue delay or for any other improper purpose, but rather to engage in good faith settlement discussions and by so doing, to conserve the resources of the parties and the Board.

WHEREFORE, Respondent, CROP PRODUCTION SERVICES, respectfully moves the Illinois Pollution Control Board to grant it an extension of time as set forth above, and to award it all other relief just and proper in the premises.

Respectfully submitted,

CROP PRODUCTION SERVICES,
Respondent,
