**HEARING OFFICER ORDER**

On July 21, 2009, the parties participated in a telephone status conference with the hearing officer. Respondent recently submitted a construction permit application, and the parties are discussing whether an operating permit would be more appropriate than a CAAPP permit for this facility. The parties request an extended period of time before the next status conference to allow for discussion and action on the new application.

The parties are directed to participate in a telephone status conference with the hearing officer at 9:30 a.m. on January 5, 2010. The telephone status conference will be initiated by the petitioner.

Petitioner filed an open waiver of the statutory decision deadline in this case.

IT IS SO ORDERED.
