Re: Administrative Citation – Knutson/Bocker
AC#: 2010-004
IEPA-LPC Site #: 1418015002
Inspection Dates: 07/06/2009 & 07/07/2009

Dear Clerk:

On September 11, 2009, I sent for filing proofs of service in the above matter. As a follow-up, Respondent Dan Bocker was served via personal service on September 2, 2009 and via certified mail on September 4, 2009. By my calculation of time, this makes the service fall within the 60 day requirement for the inspection dates of both July 6, 2009 and July 7, 2009. Respondent Bocker's Petition would be due by October 7, 2009 (using thirty-five days from the service date of September 2nd).

Respondents Steve Knutson and Kathy Knutson were served via personal service and certified mail on September 8, 2009. By my calculation of time, this service would not be within the 60 day requirement for service for the July 6, 2009 inspection date. However, my calculations show that it should fall within the 60 day requirement for the July 7, 2009 inspection date due to the Labor Day holiday weekend. Petitions from Respondents Steve Knutson and Kathy Knutson would be due by October 13, 2009 (using thirty-five days from the service date of September 8th).

If the Board does not feel that service is timely for Respondents Steve Knutson and Kathy Knutson, then the County of Ogle will dismiss them as respondents in the above-captioned matter.

Copies of this letter are also being sent to all Respondents via certified mail.

Sincerely,

A handwritten signature in blue ink that reads "Emily Seifert".
