HEARING OFFICER ORDER

On December 21, 2009, all parties participated in a telephonic status conference with the hearing officer. The parties represented that it appears that a settlement has been reached and that complainant is circulating a stipulation and proposal for settlement (stipulation). The complainant stated that the site is in compliance.

By agreement, respondent's answer or other pleading is now due to be filed on or before February 19, 2010.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on February 4, 2010, at 11:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further notice.

IT IS SO ORDERED.
