**HEARING OFFICER ORDER**

Currently pending before the Board is a January 7, 2010 motion filed by Citgo Petroleum Corporation and PDV Midwest LLC asking the Board to hold an additional hearing on use designations. The Board has received several responses and one motion for leave to file a reply to those responses. The responses were received by the Board between January 21, 2010 and January 25, 2010. As the responses potentially raise issues beyond the scope of the original motion, leave to file replies is hereby granted, including the request by the Environmental Law & Policy Center received on January 25, 2010. However to prevent undue delay (*see* 35 Ill. Adm. Code 101.500(d)), any reply or additional response must be filed in the Board's office by Wednesday, February 3, 2010 so that the Board can consider those replies, if any, on the Board's February 4, 2010 Board meeting. The mailbox rule does not apply to this filing. *See* 35 Ill. Adm. Code 101.300(b).

IT IS SO ORDERED.
