HEARING OFFICER ORDER

On February 18 and 24, 2010, all parties participated in telephonic status conferences with the hearing officer. First, the petitioner stated that it had no objection to respondent's motion to file reduced number of the administrative record, filed February 17, 2010.

Second, hearing dates were discussed and it was agreed that the hearing will be scheduled for April 22, 2010. The time and location of the hearing will be noted in a notice of hearing. Also, a pre-hearing motion schedule was discussed. It was agreed that any pre-hearing motions are due to be filed on or before March 22, 2010. Any responses must be filed on or before April 6, 2010.

The parties or their legal representatives are directed to participate in a telephonic pre-hearing conference with the hearing officer on April 8, 2010, at 11:00 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
