**HEARING OFFICER ORDER**

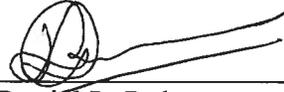

On August 6, 2009, the Board accepted for hearing a proposal for a statewide general rulemaking filed on July 27, 2009, by the Illinois Environmental Protection Agency (Agency). The proposal seeks to update specific segments of the Illinois non-hazardous waste landfill regulations. The segments relate to financial assurance. The Agency wants the Board to update the segments to more nearly correspond with hazardous waste financial assurance standards derived from the federal Resource Conservation and Recovery Act (RCRA).

On May 11, 2010, the Board held the first hearing in this proceeding. During that hearing, several requests were made of the Agency for additional information. The hearing also fulfilled the Board's statutory obligations under Section 27(b) of the Environmental Protection Act (Act) (415 ILCS 5/27(b) (2008)).

An additional hearing is set for July 15, 2010. Testimony for the July 15, 2010 hearing is due by June 15, 2010. All testimony will be taken as if read and we will proceed with questions immediately.

All filings in this proceeding will be available on the Board's web page at [www.ipcb.state.il.us](http://www.ipcb.state.il.us) and participants may file electronically on the Board's web page. All filings must be served on the persons on the service list.

IT IS SO ORDERED.
