TIME CERTAIN WAIVER OF STATUTORY DECISION DEADLINE

NOW COMES the Petitioner, JOHN BLICKHAN, pursuant to 35 Ill. Admin. Code §101.308(c)(2) and files his *Time Certain Waiver of Statutory Decision Deadline* to extend the current statutory deadline for a final Board decision in this proceeding as specified in Section 40 of the Illinois Environmental Protection Act, 415 ILCS 5/40.

In support of the *Time Certain Waiver of Statutory Decision Deadline*, Petitioner states:

1. Petitioner timely filed its *Petition for Review* to appeal a February 22, 2008, determination of the Illinois Environmental Protection Agency (“IEPA” or “Agency”), which denied Petitioner’s application for completion of the post-closure care period for the closed Blickhan Landfill.
2. On July 10, 2008, the Board issued an Order accepting Petitioner’s *Petition for Review* for hearing and decision on the issues presented.
3. Petitioner and Respondent (collectively the “Parties”), have undertaken preliminary discussions to explore the possibility of settlement.
4. Technical and legal representatives for the Parties have met on several occasions to attempt to resolve the technical matters raised in this Appeal.
5. At the last technical meeting, the Parties outlined terms of a tentative settlement involving additional groundwater sampling and analysis to address questions raised by IEPA.

The agreed-upon groundwater sampling was completed recently in furtherance of the tentative settlement agreement, but technical discussions of the results of that sampling have not yet been completed.

6. If this matter can be resolved by settlement, the expenditure of time and resources associated with proceeding to hearing and final Board decision will be avoided. To allow sufficient time for the Parties to meet to discuss the analytical results of the additional groundwater sampling (which may allow the Parties to finalize a settlement agreement), Petitioner waives the current statutory decision deadline of October 1, 2010, and requests an extension to December 31, 2010, for the Board's decision in this proceeding.
