HEARING OFFICER ORDER

On August 6, 2009, the Board accepted for hearing a proposal for a statewide general rulemaking filed on July 27, 2009, by the Illinois Environmental Protection Agency (Agency). The proposal seeks to update specific segments of the Illinois non-hazardous waste landfill regulations. The segments relate to financial assurance. The Agency wants the Board to update the segments to more nearly correspond with hazardous waste financial assurance standards derived from the federal Resource Conversation and Recovery Act (RCRA).

On May 11, 2010, the Board held the first hearing in this proceeding. During that hearing, several requests were made of the Agency for additional information. The hearing also fulfilled the Board's statutory obligations under Section 27(b) of the Environmental Protection Act (Act) (415 ILCS 5/27(b) (2008)).

A second hearing was held on July 15, 2010. At the close of the second hearing, August 16, 2010, was agreed to as the date for final comments on the rulemaking proposal. Therefore, all comments that persons wish the Board to consider prior to the Board proceeding with this rulemaking must be filed by August 16, 2010.

All filings in this proceeding will be available on the Board's web page at www.ipcb.state.il.us and participants may file electronically on the Board's web page.

IT IS SO ORDERED.
