HEARING OFFICER ORDER

On July 22, 2010, all parties participated in a telephonic status conference with the hearing officer. The respondent represented that discovery is proceeding and that a deposition has been scheduled for complainant's expert witness for July 27, 2010. The complainant did not understand that it was his responsibility to make certain his expert is present at the deposition, but then appeared to understand at the conclusion of the conference call.

It must be noted that complainant appears to be skeptical of any and all government agencies, including the Board. At times he questioned the neutral position of the hearing officer.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on September 9, 2010, at 9:15 a.m. The status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
