HEARING OFFICER ORDER

On March 18, 2010, the Board granted a motion to hold a hearing concerning the potential impact of the presence of Asian carp in the Chicago Area Waterways System (CAWS). The Board delayed hearing until later in the year. A prehearing conference was held on August 18, 2010, to discuss potential hearing dates and participants agreed on potential hearing dates. Based on the prehearing conference, November 8, 2010 is set as the first day of those hearings. The hearings will be continued, as necessary, day-to-day until November 10, 2010. Prefiled testimony must be filed by October 8, 2010 and prefiled questions must be filed by October 22, 2010.

All filings in this proceeding will be available on the Board's web page at www.ipcb.state.il.us and participants may file electronically on the Board's web page. The prefiled testimony and questions must be served on the persons on the service list, except it is not necessary to serve the hearing officer with the prefiled testimony and questions for these hearings.

IT IS SO ORDERED.
