HEARING OFFICER ORDER

On November 3, 2010, all parties participated in a telephonic status conference with the hearing officer. The parties stated that they anticipate that they will be filing their respective motions for summary judgment in the future. A briefing schedule will be discussed at the next status conference.

Respondent's motion for an extension of time to file the record, filed November 1, 2010, was also discussed. The petitioner had no objection to the motion. To that end, respondent's motion was granted and the record in the above-captioned appeal is now due to be filed on or before November 17, 2010.

The petitioner stated that it will file an additional 90-day waiver of the statutory decision deadline.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on December 9, 2010, at 9:00 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
