ORIGINAL

HEARING OFFICER ORDER

On November 18, 2010, the parties informed the hearing officer that it appears they have reached an agreement in both language and penalty and that a stipulation and proposal for settlement (stipulation) is being circulated for review and signatures. To that end, respondent's answer or other pleading is now due to be filed on or before February 18, 2011.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on February 3, 2011, at 9:00 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further notice.

IT IS SO ORDERED.
