**HEARING OFFICER ORDER**

On December 9, 2010, the parties informed the hearing officer they will be drafting stipulations of fact in anticipation of filing cross motions for summary judgment.

On November 30, 2010, the respondent filed a motion to file a reduced number of copies of the record. On November 12, 2010, the respondent filed its second motion for an extension of time to file the record in this appeal. To date, the petitioner has not filed a response to either of respondent's motions. To that end, respondent's motion for an extension of time to file the record is granted. It is noted that the record was filed on November 30, 2010. Respondent's motion to file a reduced number of copies is also granted. On November 30, 2010, the respondent filed the original and two hard copies of the record, including three CD disks.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on January 27, 2011, at 9:00 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.
