HEARING OFFICER ORDER

On March 15, 2011, the parties participated in a telephone status conference with the hearing officer. Settlement discussions are at an impasse. Complainant will file a response to the motion for reconsideration and motion for interlocutory appeal by March 18, 2011, and will serve discovery requests on respondents by March 25, 2011. Respondents oppose further discovery, and may file a motion to object to the discovery requests. Additionally, respondents dispute complainant's assignee's right to appear as complainant, and may file a motion to address this issue.

The parties are directed to participate in a telephone status conference with the hearing officer at 2:00 p.m. on May 17, 2011. Complainant will email a conference call-in number.

IT IS SO ORDERED.
