WAIVER OF SERVICE IN HARD COPY

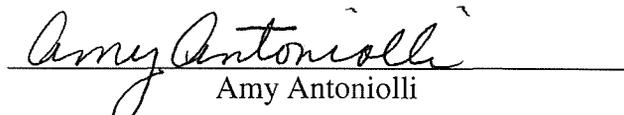

On behalf of Southern Illinois Power Cooperative (“SIPC”), Kathleen Bassi and Amy Antonioli of Schiff Hardin LLP, waive service in hard copy, and instead accept service by email, of all documents filed in this rulemaking proceeding. Pursuant to the procedural rules of the Illinois Pollution Control Board (“Board”), documents in a rulemaking proceeding must be served and filed in accordance with the requirements of 35 Ill. Adm. Code 101.Subpart C. 35 Ill. Adm. Code 102.400. Under Part 101, Subpart C, service may be effectuated by U.S. Mail or other mail delivery service, in person, by messenger, or by electronic transmission with approval from the Clerk of the Board or hearing officer. 35 Ill. Adm. Code 102.304(c); 101.302(d). SIPC intends this waiver of service of documents in hard copy, subject to approval from the Clerk of the Board or hearing officer, to allow any participant or person serving a document in this rulemaking docket the option of serving SIPC by electronic transmission, via email to the attorneys of record, rather than in hard copy.

SIPC does not waive service generally. As provided in the Board’s procedural rules, filing electronically via the Board’s Clerk’s Office On-Line (“COOL”) system does not itself constitute service; rather, “[p]arties in Board [regulatory] proceedings are responsible for service of all documents they file with the Clerk’s Office.” 35 Ill. Adm. Code 101.304(b).
